

**Bursary application for Easter Course 2010**

Yorchestra has a limited bursary fund which allows us to offer some financial assistance to those who would otherwise not be able to participate in this course. Yorchestra's resources are limited and we therefore need to consider each application carefully. Priority will be given to those already in receipt of state benefits, but bursaries may be granted in other exceptional circumstances. Please explain on the form why you are applying for a Bursary. Further information may be requested.

Most bursaries will be for a maximum of 50% of the course although in exceptional circumstances this may be increased. Please indicate how much you will need to make each student that you are applying for able to attend the course.

When you have completed this form please return it with your application form. We will contact you as soon as possible with a response. Any queries can be directed to the Yorchestra treasurer on [joepunnett@aol.com](mailto:joepunnett@aol.com). Any information given will be treated in confidence. Bursary applications are limited to three children from the one family address and are at the discretion of Yorchestra.
